Overview

For your enjoyment, the clubhouse at the River Club of Mequon was completely transformed to mirror our club philosophy of *casual elegance*.

In December of 2011 the clubhouse was completely gutted and in only five short months, it was transformed into a beautiful space for members and their guests.

The state of the art clubhouse features a Grand Ballroom—one of the largest venues in Ozaukee County—with 9200 square feet of space. The ballroom features two bars and $1.3 million dollars in LED lighting, perfect for weddings, private events and banquets.

The 3500 sq. ft. Sunset Deck on the clubhouse’s west side is a new addition and provides ample space for outdoor relaxation. It serves as a hot spot for seasonal evening entertainment, too.

Our restaurant, nines American Bistro, is a showcase of culinary delights and features a balcony for outdoor dining as well as a private executive dining and corporate meeting room.

The fitness center and locker rooms have all been designed and appointed with the latest equipment and amenities for your enjoyment and well-being.

Ready for post-round socializing? Then you’re ready for the new Aftermath Pub and Grill—a great spot for a frosty cold libation when you get off the course!

The 9,200 sq.ft. Grand Ballroom is one of the gemstones of the club. (Or potentially 1000+ for seasonal “open air” events.)

This is often the perfect place for our members, company parties, meetings, or outings!
Events

Sunset Deck

Panoramic views from our 3,500 sq. ft. outdoor balcony, called the Sunset Deck, enhance the sensory experience for virtually any kind of reception or party. Whether its warm weather dining, enjoying live entertainment, or the cinematic site for wedding ceremony, this spectacular setting further validates the River Club of Mequon’s standing as both a dream destination or simply the coolest place on the north shore to hangout and chill.
The River Club of Mequon is comprised of three distinct nines that provide an abundance of beauty and plenty of challenges. Built in 1963, it was these 338 acres of lush terrain that allowed original course designer David Gill, with recent upgrades from architect Bob Lohman, to incorporate water, rolling grasslands, and fairway-tightening timber into an enjoyable and stimulating test of golf for players of all skill levels. Four sets of tees help to promote parity and add enjoyment in every round of golf.

After a series of soil studies and strategic meetings involving the USGA’s senior agronomist, Robert Vavrek, The River Club’s golf course superintendent and owner collaborative approach to continuous improvement for the entire golf course emerged.

A multi-year strategy was put in place to upgrade the course’s overall conditions resulting in a significant investment in new turf equipment. Every improvement is certain to appeal to the aesthetic sense of golfers for whom golf is both a visual and visceral experience. And with 27 holes, this is a golf course that is available when you are.

Membership downgrades may be granted on a one time only basis, or at the discretion of the Club, by giving a 60 day advance written notice stating the reason for the request. When the Downgrade is complete, after 1 year, the Member will return to the original Membership category and pay the then current dues amount.

All memberships are based on a calendar year and are obligated for a minimum of 12 months, after which time they will renew automatically on the normal calendar year schedule and will be obligated for the entire calendar year. A sixty (60) day advance written notice (by October 31st) is needed to cancel a membership for the calendar year ending December 31st; however, no resignation shall be accepted by the Club until all financial obligations of the Member are settled in full, including payment in full of the initiation fee (if applicable). All resignations must be in writing at least sixty (60) days prior to the effective date of resignation.
